Dear Resident ,

Over the past 6 months has been really busy for the team. Trying to reduce ASB and crime within the Kingstanding area. It has been hard as the team are dealing with matters as the team have been sort due to secondments and officers having to cover the Birmingham LPA with demands. However we are trying and liaising with partners to ensure Kingstanding is a safe place to live.

Officers from the team worked alongside the Road Crime team on Operation Scalp this operation targeting uninsured drivers with several vehicles werestopped and seized .

The team have recused a couple of animals in need of care....

The team will be holding a further cuppa with a copper at the Eco Hub Witton Lakes. This will be on 27/6/2024. During these events we will listen to your concerns and offer crime prevention advice

There has been an increase of Robberies and ASB in the Wyrley Birch Estate and the surrounding areas. Officers have been making arrests of the subjects and our colleagues from the CID team are investigating matters if you are experiencing ASB or have any information which can support us please contact us on 101 or crime stoppers on 0800 555 111. Patrols are being conducted by officers along with other departments and conducting weapons

Last year saw the team organize our very first community speed watch. This has been really successful and is playing a key role in reducing speeding within Kingstanding area.

This year we hope to continue to get more volunteers and maybe organize another community group in another part of Kingstanding. We also would like to set up our first Street Watch

As a Street Watch member, you will patrol your local area for at least two hours every month, at times which suit you. You will patrol in a minimum of two members, talk to people you meet and encourage them to take an active interest in keeping your area safe.

If you are interesting joining our community speed watch or starting up a street watch in your local area please get in touch. We need your sup-
