

Addressing addiction | Reducing crime | Transforming lives

Help us to prevent retail crime and reduce the risk to yourself and your colleagues:

1. Report all shop theft offences to police online, or call 999 if a crime is in progress
2. Refer offenders with an addiction to the Offending 2 Recovery programme

In the West Midlands 70% of retail crime is committed by people with an addiction

Offending 2 Recovery is a programme that works with individuals with an addiction who commit retail crime. It is funded by the Police & Crime Commissioner for the West Midlands, council and retailers.

The team includes addiction trained police officers and specialist staff from the drug and alcohol service.
