

PACT MEETING

PACT (Partners and Communities Together) is a partnership meeting which gives residents of Coventry an opportunity to regularly meet with their local policing team and other local partners with the aim to tackle crime and community safety concerns at a local level.

At the meeting residents will:

- Be informed about the performance of local policing teams
- Meet representatives from the police and council
- Receive feedback on priority issues
- Have opportunities to raise issues, ask questions and seek help on individual or community wide problems
